

Effective 9 May 2005, SDDC will no longer accept PPCIG changes via mail, fax or telephone. On 9 May 2005 SDDC will activate the new Personal Property Consignment Guide (PPCIG-OL). All Transportation Offices need to register and submit their changes using this application. Please note changes to individual Country Instructions still need to be submitted via proper channels to the SDDC Theater Commands. All questions concerning this change in procedures should be directed to ppcig@sddc.army.mil or call: comm. (703) 428-2959 or DSN 428-2959.
